

Hi David:

Thanks so much for the opportunity to present to your wonderful group today. I really enjoyed doing so and they were most kind.

People with questions can contact me at [dangelaj@gmail.com](mailto:dangelaj@gmail.com) or [ancasterfilmfest@cogeco.ca](mailto:ancasterfilmfest@cogeco.ca).

Kanopy and Hoopla are two cinema websites affiliated with the Hamilton Public Library which allows viewers free access to a number of movies each month. (Hoopla also has music, ebooks and audiobooks). They use their library card numbers and pins to link the website with the library.

The websites for Kanopy and Hoopla are:  
[www.kanopy.com/signup](http://www.kanopy.com/signup)  
[www.hoopladigital.com](http://www.hoopladigital.com)

They can watch on your computer, tablet, smartphone or on their smart tv as there are free hoopla and kanopy apps available there.

I've attached a file which helped my members watch my eventive virtual film fest on the tv. It may provide some information on how to connect a computer device to a tv if one is unable to watch directly through their television set. NOTE: My virtual site is over now, this is only provided for general information.

I've also attached a doc with a few of the AFF films that are available on Hoopla and Digital. There are many more available than I've listed because I've not gone through checking the full list of films I've screened.

A list of AFF films we've screened up to the end of 2018 can be found at this link (Someday I'll get around to adding the more recent films).

Reviews and ratings for films can be found at:  
[www.imdb.com](http://www.imdb.com) or  
[www.rottentomatoes.com](http://www.rottentomatoes.com)

A website I like for finding excellent smaller gems is:

Thanks again to you and your members. Have a wonderful summer.

Julian
